

COACHING ACCREDITATION PROGRAM PHASES 1-3 2022

This course provides an extended in-depth local cohort experience with the option to progress to individual coaching credentials. A highly practical and evidence-based coach training and leadership development course that provides deep understanding and development of the three elements of effective coaching.

Around 5000 school staff have already completed this program and have seen the positive effects of coaching impact staff and student well-being and success. The transformational effect of coaching has become a key factor in the way schools engage with their communities.

An optional Intensive Coaching Module (formerly Phase 4) is offered to those who would like to proceed to full Growth Coaching International Coach Accreditation.
