

Instructional Leadership

Powerful Conversations to Lead School Improvement

Capability Programs

Program Overview

Our Instructional Leadership: Powerful Conversations to Lead School Improvement program focuses on deepening understanding of psychology and neuroscience for educational contexts and explores emotional intelligence and leadership styles with particular reference to coaching. The program has been designed to enhance the personal leadership and conversational skills of middle leaders who are required to work with staff across their school networks to maximise engagement and performance and who are significant contributors to school and student improvement.

Program Objectives

The program will broaden your understanding and enable you to:

- ▶ Understand change
- ▶ Understand self and others
- ▶ Hold powerful conversations to lead school improvement.

Program Features

- ▶ Nine-month multi-modal program
- ▶ Combination of theory and practice
- ▶ Reading and reflecting on key 'think' pieces
- ▶ Discussion and activities with your facilitator and program participants in workshops
- ▶ Development of a Leadership Challenge Action Project (LCAP)
- ▶ One-hour leadership coaching session
- ▶ Presentation of LCAP success
- ▶ Collegiate networking
- ▶ Aligned with the Australian Institute for Teaching and School Leadership (AITSL) Australian Professional Standards

Who Should Attend?

- ▶ Middle Leaders

About QELi

QELi is an innovative not-for-profit institute committed to delivering excellence in leadership by supporting education leaders from government and non-government sectors, across Australia and internationally, to establish a strong vision, improve student outcomes and lead change in their school context and wider school communities. We support educators at every level – from teachers to principals and system leaders – and corporate services and school support staff to develop leadership capabilities, maximise their potential and reach their leadership goals.
