

LEADERSHIP FOR DEPUTY PRINCIPALS FACE-TO-FACE PROGRAM

PROGRAM OVERVIEW

The *Leadership for Deputy Principals Face-to-face Program* is designed for current Deputy Principals and those aspiring to Principalship seeking to further develop their leadership knowledge, skills and confidence to effectively lead and develop others.

The program draws on the latest evidence of visionary leadership and leading high performing school teams to achieve improved student outcomes. Throughout the program, learning is consolidated through one-to-one coaching, and highly professional and collegiate groups.

I would absolutely recommend this program. As a leader, I now believe I have both an understanding and ability to exert the best possible leadership influence.
