

LEADERSHIP FOR TEACHERS ONLINE PROGRAM COHORT 2

PROGRAM OVERVIEW

The *Leadership for Teachers Online Program* is intended for teachers who want to build their capacity as teacher leaders. A teacher leader's primary responsibility is in the classroom modelling best practice and building the capacity of colleagues. By participating in this program, you will develop an understanding of the foundations of leadership and who you are as a leader and learner. You will gain insights into your leadership style, learn leadership strategies that are transferable across emerging educational contexts and you will engage in collaborative dialogue, learning with and from a network of future leaders.

The program builds confidence through practical application of theory, targeted skill development and collegial support to enable you to become a highly effective and influential leader in your school.
